

191—10.9(522B) License reinstatement.

10.9(1) A resident producer may reinstate an expired license up to 12 months after the license expiration date by proving that during the CE term the producer met the CE requirements found in 191—Chapter 11, and by paying a reinstatement fee and license renewal fees. A resident producer who fails to apply for license reinstatement within 12 months of the license expiration date must apply for a new license.

10.9(2) A nonresident producer may reinstate an expired license up to 12 months after the expiration date by submitting a request through the NIPR Gateway and by paying a reinstatement fee and license renewal fee. After the 12-month period, a nonresident producer must apply for a new license.

10.9(3) A producer who has surrendered a license for a nondisciplinary reason and stated an intent to exit the insurance business may file a request to reactivate the license. The request must be received at the division within 90 days of the date the license was placed on inactive status. The request will be granted if the former producer is otherwise eligible to receive the license. If the request is not received within 90 days, the producer must apply for a new license.
